COMPLAINT FOR WRIT OF MANDATE, DECLARATORY

JUDGMENT, AND INJUNCTIVE RELIEF – 1

CORR CRONIN LLP 1001 Fourth Avenue, Suite 3900 Seattle, Washington 98154-1051 Tel (206) 625-8600 Fax (206) 625-0900

submitted a sufficient number of signatures to place I-1639 on the ballot. But the vast majority, if not all, of the signed petitions contains initiative text that is incorrect and misleading, which violates provisions of the Washington State Constitution and state law. State law clearly and unambiguously requires that a "readable, full, true, and correct copy" of the initiative is on the back of every petition. RCW 29A.72.100; *see also* Wash Const. Art. II § 37. Otherwise, there is no way to ensure that petition-signers are aware of the proposed initiative's impact, or for the Secretary of State to verify that the voters had an opportunity to review what they were signing. Permitting the I-1639 Sponsors to collect signatures by showing voters an incorrect copy of the initiative text, which does not clearly and truthfully identify the changes and additions to current law, will undermine the integrity of Washington's initiative process and open the door to fraud and further abuse in the future. Accordingly, Petitioners bring this action for writ of mandate, declaratory judgment, and injunctive relief, and respectfully ask the Court for an order barring the unlawful signed petitions from being counted and preventing the Secretary of State from certifying I-1639.

II. PARTIES

- 1. Robin Ball is a resident of Spokane County, Washington. She is an NRA member, and a Refuse to be a Victim Regional Counselor.
- 2. Petitioner National Rifle Association ("NRA") is a non-profit organization with thousands of members and supporters in Washington. The NRA has, since its inception in 1871, been the premier firearms education organization in the world. NRA wants to make sure voters understand the scope and extent of the restrictions proposed by I-1639, and that these restrictions would extend into private homes, not just to the purchase of firearms.
- 3. Kim Wyman is the Washington Secretary of State. The Secretary of State is the State's Chief Elections Officer and is responsible for validating Washington State voter signatures on petitions.

III. JURISDICTION AND VENUE

- 4. This Court has jurisdiction over this action pursuant to RCW 29A.72.240. Any citizen dissatisfied with the determination of the Secretary of State that a petition does not contain the requisite number of valid signatures may apply for a citation requiring the Secretary of State to submit the petition to said court for examination, and for an injunction to prevent the certification of the initiative petition. *Id.* This Court also has jurisdiction pursuant to Article IV, Sections 4 and 6 of the Washington State Constitution, Title 29A RCW, and Title 7 RCW.
- 5. Venue for this action lies in the Thurston County Superior Court pursuant to RCW 29A.72.240, Title 29A RCW, and RCW 4.92.010.

IV. FACTUAL ALLEGATIONS

A. Washington Law Governing Initiative Requirements

- 6. Article II, Section 37 of the Washington State Constitution provides: "No act shall ever be revised or amended by mere reference to its title, but the act revised or the section amended shall be set forth at full length." A significant purpose of Article 11, Section 37 is to ensure that those enacting an amendatory law are fully aware of the proposed law's impact on existing law. Wash. Citizens Action of Wash. v. State, 162 Wn.2d 142, 151–152 (2007). The Washington Supreme Court has repeatedly held that this provision of the State Constitution applies to initiatives.
- 7. An initiative sponsor must file the proposed measure with the Secretary of State. RCW 29A.72.010. The Secretary of State must submit the measure to the office of the code reviser, which must recommend revisions and issue a certificate of review. RCW 29A.72.020. Upon resubmission of the measure, the Secretary of State must transmit a copy to the attorney general, RCW 29A.72.020 and .040, who must prepare a ballot title and summary, RCW 29A.72.060, and file same with the Secretary of State. RCW 29A.72.060. Any party may appeal only the ballot title and summary to the Superior Court of Thurston County for final review. RCW

29A.72.080. Thereafter, an initiative sponsor must collect and submit the requisite number of signatures to the Secretary of State.

8. RCW 29A.72.100 requires that

The person proposing the measure shall print blank petitions upon single sheets of paper of good writing quality (including but not limited to newsprint) not less than eleven inches in width and not less than fourteen inches in length. Each petition at the time of circulating, signing, and filing with the secretary of state must consist of not more than one sheet with numbered lines for not more than twenty signatures, with the prescribed warning and title, be in the form required by RCW 29A.72.110, 29A.72.120, or 29A.72.130, and have a readable, full, true, and correct copy of the proposed measure printed on the reverse side of the petition.

RCW 29A.72.100 (emphasis added).

- 9. The Secretary of State requires that petitions must include "the full text of the measure printed on the back," WAC 434-379-008(2)(g), because there is no other way to verify that petition signers had the opportunity to read the text of the measure. Office of the Secretary of State, *Initiative Handbook* 10.
- 10. There is simply no way for the Secretary of State to verify the signatures on the petition if there is no proof that the voters had an opportunity to review what they were signing. *Id.* This is why RCW 29A.72.120 requires a statement that "a readable, full, true and correct copy of [the initiative] is printed on the reverse side of this petition."
- 11. After the Secretary of State verifies the signatures and certifies the initiative for inclusion on the ballot, any citizen may apply to the Superior Court of Thurston County for an injunction preventing certification of the measure. RCW 29A.72.240. The Secretary of State must then defend the action.

B. Initiative Measure No. 1639

12. On May 2, 2018, Sponsor Paul Kramer filed Initiative Measure No. 1639 ("I-1639") with the Secretary of State. *See* Exhibit 1.

- 13. The initiative text, as filed, indicated additions to statutory text in the traditional manner: by underlining the newly-added text to distinguish it from existing statutory text. The initiative text, as filed, also indicated deletions from statutory text in the traditional manner: by striking-through deleted text, to provide a visual cue to the reader, and by bracketing in double-parentheses to offset from remaining text. *See* Exhibit 1.
- 14. I-1639 amends several statutory provisions: RCW 9.41.090, 9.41.092, 9.41.094, 9.41.097, 9.41.0975, 9.41.110, 9.41.113, 9.41.124, 9.41.240, 9.41.129, and 9.41.010. I-1639 adds new statutory sections to chapter 9.41 RCW; creates new sections; prescribes penalties; and provides effective dates.
- 15. On June 7, 2018, Thurston County Superior Court Judge Carol Murphy issued an order establishing a ballot title and ballot measure summary for I-1639.
- 16. After the court established the appropriate ballot title and ballot measure summary, the I-1639 sponsors printed petitions in order to collect signatures.
- 17. The I-1639 sponsors utilized volunteer and paid signature gatherers in order to attempt to collect enough signatures for certifications.
- 18. The I-1639 sponsors spent more than \$3 million dollars on this political campaign, including a payment of \$500,000 to AAP Holding Company Inc. for signature gathering.

C. I-1639 Petitions Are Unlawful

- 19. The I-1639 petition front side consists of a cover page with the ballot title, summary, and lines for voter signatures with identifying information. *See* Exhibit 2.
- 20. The I-1639 petition reverse side bears the title "Initiative Measure No. 1639, filed May 2, 2018" and consists of statutory text. The statutory text on the reverse side of the I-1639 petition does not contain underlines and strikethroughs to indicate statutory additions and deletions. *See* Exhibit 3.

- 21. The statutory text on the reverse side of the I-1639 petition is not an exact replica as the statutory text in Exhibit 1.
- 22. The statutory text on the reverse side of the I-1639 petition is in a small, hard-to-read font.
- 23. The statutory text on the reverse side of the I-1639 petition is materially different than the statutory text in Exhibit 1.
- 24. The statutory text on the reverse side of the I-1639 petition is not the full, true, and correct text of I-1639.
- 25. In fact, here there is clear proof initiative signers were not presented with a statutorily compliant copy of the relevant language at the time of their signing.
- 26. Without the underlines and strikethroughs, it is not possible to understand the scope and context of the many statutory additions and deletions on the I-1639 petition. For example, I-1639 contains several additions and deletions that are not decipherable without underlines and strikethroughs.
- 27. The statutory text on the reverse side of the I-1639 petition misleads voters about the scope and context of the proposed statutory changes. For example, it is impossible for readers to distinguish between existing statutory text and the new statutory text that I-1639 proposes to add.
- 28. During the signature-gathering process, and before submitting the signed petitions to the Secretary of State, the I-1639 sponsors, who are well funded and represented by counsel, were aware that the statutory text on the reverse side of the I-1639 petitions did not contain the requisite underlines and strikethroughs.
- 29. The I-1639 sponsors did not print new petitions after becoming aware that the statutory text on the reverse side of the I-1639 petitions did not contain the requisite underlines and strikethroughs.

23

24

25

- 30. The I-1639 sponsors acted with willful indifference to the fact that the reverse side of the I-1639 petitions did not contain the requisite underlines and strikethroughs.
- 31. It did not matter to the I-1639 sponsors acted with willful indifference as to whether petition-signers had the opportunity to read a true, correct, and readable copy of the statutory text of the initiative when signing the petition.

D. The Secretary of State Unlawfully Certified the I-1639 Petitions

- 32. The initiative sponsors submitted signed I-1639 petitions to the Secretary of State on or before July 6, 2018. The Secretary of State certified that the sponsors had submitted a sufficient number of valid signatures on July 27, 2018.
- 33. The I-1639 sponsors knowingly submitted signed petitions containing statutory text on the reverse side of the petitions that did not contain the requisite underlines and strikethroughs.
- 34. The I-1639 sponsors intentionally submitted signed petitions containing statutory text on the reverse side of the I-1639 petitions that did not contain the requisite underlines and strikethroughs.
- 35. There is no proof that voters who signed the I-1639 petitions with incorrect text on the reverse side had access to a full, true, and correct copy of the initiative when they signed the petition.
- 36. The I-1639 petitions submitted to the Secretary of State with incorrect statutory text on the reverse violate the Washington State Constitution.
- 37. The I-1639 petitions with incorrect text on the reverse violate state law, including but not limited to RCW 29A.72.100, RCW 29A.72.120, and WAC 434-379-008(2)(g).
- 38. There are an insufficient number of valid signatures on I-1639 petitions to certify I-1639.

V. CAUSES OF ACTION

FIRST CAUSE OF ACTION: WRIT OF MANDATE

- 39. Petitioners repeat and reallege paragraphs 1–38 as if fully set forth herein.
- 40. Petitioners Robin Ball and NRA object to and are dissatisfied with the Secretary of State's certification of I-1639.
- 41. Petitioners request a citation requiring the Secretary of State to submit the I-1639 petition to the court for examination. RCW 29A.72.240.
- 42. Petitioners are entitled to have the court examine the petition to determine if the petition complies with the law and contains a sufficient number of lawful signatures.

SECOND CAUSE OF ACTION: DECLARATORY JUDGEMENT

- 43. Petitioners repeat and reallege paragraphs 1–42 as if fully set forth herein.
- 44. A present controversy exists concerning whether the Secretary of State acted lawfully when certifying the I-1639 petition. Any dissatisfied citizen may petition the court to enforce the law and enjoin certification.
- 45. The I-1639 petitions are contrary to law because the statutory language in the petitions is incorrect, misleading, and unreadable, and there is no way to verify that petition signers had the opportunity to read the full, true, and correct copy of the initiative text.
- 46. The Secretary of State's certification of I-1639, despite the facial invalidity of the signed petitions, is arbitrary & capricious and contrary to law. The I-1639 petitions violate, among other provisions, RCW 29A.72.100 and RCW 29A.72.120.
- 47. Alternatively, if the Secretary of State does not have the authority to reject these petitions, the Court should enforce RCW 29A.72.100, RCW 29A.72.120, and the Washington State Constitution and declare that the I-1639 petitions are contrary to law and cannot be counted by the Secretary of State.

- 48. Petitioners are entitled to an accelerated judicial declaration that the I-1639 petitions violate the Washington State Constitution, the Revised Code of Washington, and the Secretary of State's regulations; and that the Secretary of State may not include unlawful petitions when determining whether the initiative sponsor has submitted a sufficient number of signatures to certify the initiative.
 - 49. Declaratory judgment will conclusively terminate the present controversy.

THIRD CAUSE OF ACTION: INJUNCTIVE RELIEF

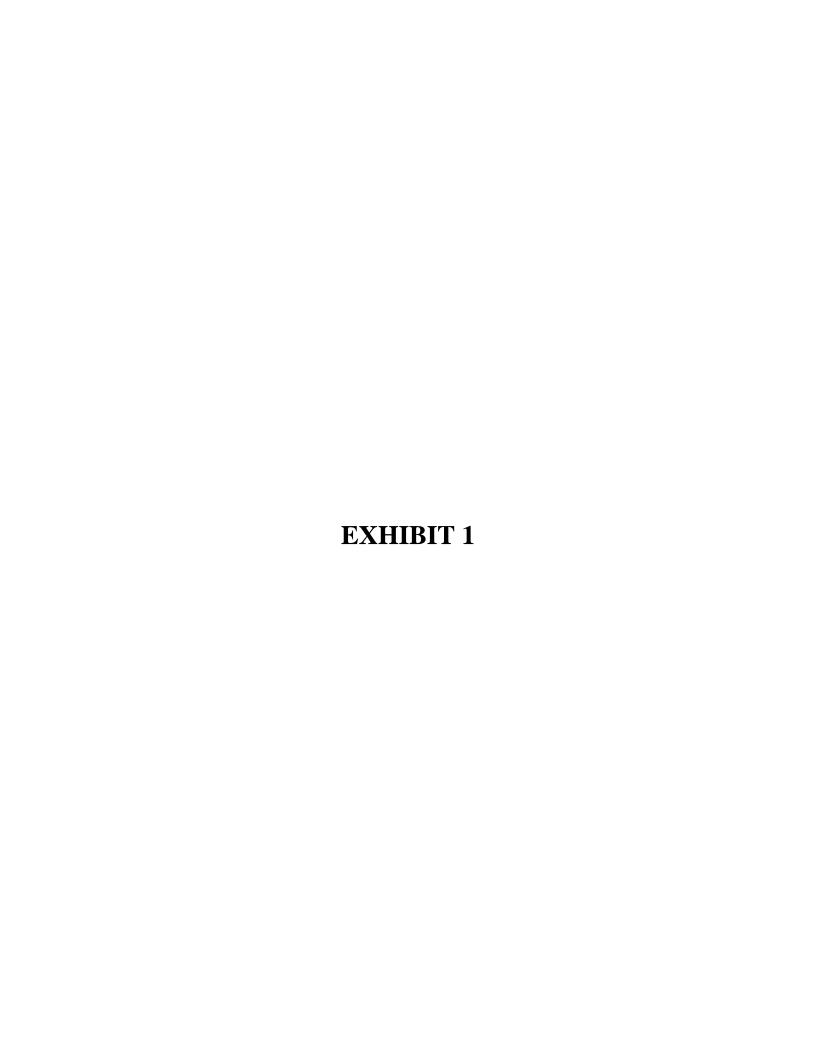

- 50. Petitioners repeat and reallege paragraphs 1–49 as if fully set forth herein.
- 51. The I-1639 petitions are contrary to law because the statutory language in the petitions is incorrect, misleading, and unreadable, and there is no way to verify that petition signers had the opportunity to read the full, true, and correct copy of the initiative text.
- 52. The Secretary of State's certification of I-1639 is arbitrary & capricious and contrary to law.
- 53. Alternatively, if the Secretary of State does not have the authority to reject these petitions, the Court should enforce RCW 29A.72.100, RCW 29A.72.120, and the Washington State Constitution and declare that the I-1639 petitions are contrary to law and cannot be counted by the Secretary of State.
- 54. Petitioners are entitled to have the Court enforce the Washington Constitution and statutory law and grant an injunction preventing certification of I-1639. RCW 29A.72.240.

VI. PRAYER FOR RELIEF

WHEREFORE, Petitioners request that judgment be entered against the Secretary of State as follows:

A. A citation or writ of mandate ordering the Secretary of State to submit the I-1639 petition to the court for examination;

1	B. Declaratory Judgment that the I-1639 petitions are unlawful, null, and void, and					
2	that the signatures are invalid and cannot be counted;					
3	C. An injunction preventing the Secretary of State from certifying I-1639; and					
4	D. Awarding any additional or further relief which the Court finds appropriate					
5	equitable, or just.

Initiative Measure No. 1639, filed May 2, 2018

AN ACT Relating to increasing public safety by implementing firearm safety measures, including requiring enhanced background checks, waiting periods, and increased age requirements for semiautomatic assault rifles and secure gun storage for all firearms; amending RCW 9.41.090, 9.41.092, 9.41.094, 9.41.097, 9.41.0975, 9.41.110, 9.41.113, 9.41.124, 9.41.240, 9.41.129, and 9.41.010; adding new sections to chapter 9.41 RCW; creating new sections; prescribing penalties; and providing effective dates.

BE IT ENACTED BY THE PEOPLE OF THE STATE OF WASHINGTON:

NEW SECTION. Sec. 1. INTENT. Gun violence is far too common in Washington and the United States. In particular, shootings involving the use of semiautomatic assault rifles have resulted in hundreds of lives lost, devastating injuries, and lasting psychological impacts on survivors, their families, and communities. Semiautomatic assault rifles are specifically designed to kill quickly and efficiently and have been used in some of the country's deadliest mass shootings, including in Newtown, Connecticut; Las

Vegas, Nevada; and Parkland and Orlando, Florida, among others.

Semiautomatic assault rifles have also been used in deadly shootings in Washington, including in Mukilteo and Tacoma.

The impacts of gun violence by assault weapons fall heavily on children and teenagers. According to one analysis, more than two hundred eight thousand students attending at least two hundred twelve schools have experienced a shooting on campus since the Columbine mass shooting in 1999. Active shooter drills are normal for a generation of American schoolchildren, instilling at a young age the sad and unnecessary realization that a mass shooting can happen in any community, in any school, at any time.

Enough is enough. The people find and declare that it is crucial and urgent to pass laws to increase public safety and reduce gun violence.

Implementing an enhanced background check system for semiautomatic assault rifles that is as strong as the one required to purchase a handgun and requiring safety training and a waiting period will help ensure that we keep these weapons out of dangerous hands. Further, federal law prohibits the sale of pistols to individuals under the age of twenty-one and at least a dozen states further restrict the ownership or possession of firearms by individuals under the age of twenty-one. This makes sense, as studies show that eighteen to twenty year olds commit a disproportionate number of firearm homicides in the United States and research indicates that the brain does not fully mature until a later age. Raising the minimum age to purchase semiautomatic assault rifles to twenty-one is a commonsense step the people wish to take to increase public safety.

Finally, firearms taken from the home by children or other persons prohibited from possessing firearms have been at the heart of several tragic gun violence incidents. One study shows that over eighty-five percent of school shooters obtained the firearm at their home or from a friend or relative. Another study found that more than seventy-five percent of firearms used in youth suicide attempts

and unintentional injuries were stored in the residence of the victim, a relative, or a friend. Secure gun storage requirements for all firearms will increase public safety by helping ensure that children and other prohibited persons do not inappropriately gain access to firearms, and notice requirements will make the potential dangers of firearms clear to purchasers.

Therefore, to increase public safety for all Washingtonians, in particular our children, this measure would, among other things:

Create an enhanced background check system applicable to semiautomatic assault rifles similar to what is required for handguns, require that individuals complete a firearm safety training course and be at least twenty-one years of age to purchase or possess such weapons, enact a waiting period for the purchase of such weapons, and establish standards for the responsible storage of all firearms.

<u>NEW SECTION.</u> **Sec. 2.** SHORT TITLE. This act may be known and cited as the public safety and semiautomatic assault rifle act.

- Sec. 3. ENHANCED BACKGROUND CHECKS. RCW 9.41.090 and 2018 c
 201 s 6003 are each amended to read as follows:
- (1) In addition to the other requirements of this chapter, no dealer may deliver a pistol to the purchaser thereof until:
- (a) The purchaser produces a valid concealed pistol license and the dealer has recorded the purchaser's name, license number, and issuing agency, such record to be made in triplicate and processed as provided in subsection (((5))) (6) of this section. For purposes of this subsection (1)(a), a "valid concealed pistol license" does not include a temporary emergency license, and does not include any license issued before July 1, 1996, unless the issuing agency conducted a records search for disqualifying crimes under RCW 9.41.070 at the time of issuance;
- (b) The dealer is notified in writing by $\underline{(i)}$ the chief of police or the sheriff of the jurisdiction in which the purchaser resides

that the purchaser is eligible to possess a pistol under RCW 9.41.040 and that the application to purchase is approved by the chief of police or sheriff; or (ii) the state that the purchaser is eligible to possess a firearm under RCW 9.41.040, as provided in subsection (3)(b) of this section; or

- (c) The requirements or time periods in RCW 9.41.092 have been satisfied.
- (2) <u>In addition to the other requirements of this chapter, no dealer may deliver a semiautomatic assault rifle to the purchaser thereof until:</u>
- (a) The purchaser provides proof that he or she has completed a recognized firearm safety training program within the last five years that, at a minimum, includes instruction on:
 - (i) Basic firearms safety rules;
- (ii) Firearms and children, including secure gun storage and talking to children about gun safety;
 - (iii) Firearms and suicide prevention;
 - (iv) Secure gun storage to prevent unauthorized access and use;
 - (v) Safe handling of firearms; and
- (vi) State and federal firearms laws, including prohibited firearms transfers.

The training must be sponsored by a federal, state, county, or municipal law enforcement agency, a college or university, a nationally recognized organization that customarily offers firearms training, or a firearms training school with instructors certified by a nationally recognized organization that customarily offers firearms training. The proof of training shall be in the form of a certification that states under the penalty of perjury the training included the minimum requirements; and

(b) The dealer is notified in writing by (i) the chief of police or the sheriff of the jurisdiction in which the purchaser resides

that the purchaser is eligible to possess a firearm under

RCW 9.41.040 and that the application to purchase is approved by the chief of police or sheriff; or (ii) the state that the purchaser is

- eligible to possess a firearm under RCW 9.41.040, as provided in subsection (3)(b) of this section; or
- (c) The requirements or time periods in RCW 9.41.092 have been satisfied.
- (3)(a) Except as provided in (b) of this subsection, in determining whether the purchaser meets the requirements of RCW 9.41.040, the chief of police or sheriff, or the designee of either, shall check with the national crime information center, including the national instant criminal background check system, provided for by the Brady Handgun Violence Prevention Act (18 U.S.C. Sec. 921 et seq.), the Washington state patrol electronic database, the health care authority electronic database, and with other agencies or resources as appropriate, to determine whether the applicant is ineligible under RCW 9.41.040 to possess a firearm.
- (b) The state, through the legislature or initiative process, may enact a statewide firearms background check system equivalent to, or more comprehensive than, the check required by (a) of this subsection to determine that a purchaser is eligible to possess a firearm under RCW 9.41.040. Once ((the)) a state system is established, a dealer shall use the state system and national instant criminal background check system, provided for by the Brady Handgun Violence Prevention Act (18 U.S.C. Sec. 921 et seq.), to make criminal background checks of applicants to purchase firearms. ((However, a chief of police or sheriff, or a designee of either, shall continue to check the health care authority's electronic database and with other agencies or resources as appropriate, to determine whether applicants are ineligible under RCW 9.41.040 to possess a firearm.))
- $\frac{((3))}{(4)}$ In any case under this section where the applicant has an outstanding warrant for his or her arrest from any court of competent jurisdiction for a felony or misdemeanor, the dealer shall hold the delivery of the pistol or semiautomatic assault rifle until the warrant for arrest is served and satisfied by appropriate court appearance. The local jurisdiction for purposes of the sale, or the

state pursuant to subsection (3)(b) of this section, shall confirm the existence of outstanding warrants within seventy-two hours after notification of the application to purchase a pistol or semiautomatic assault rifle is received. The local jurisdiction shall also immediately confirm the satisfaction of the warrant on request of the dealer so that the hold may be released if the warrant was for an offense other than an offense making a person ineligible under RCW 9.41.040 to possess a ((pistol)) firearm.

- (((4))) (5) In any case where the chief or sheriff of the local jurisdiction, or the state pursuant to subsection (3)(b) of this section, has reasonable grounds based on the following circumstances: (a) Open criminal charges, (b) pending criminal proceedings, (c) pending commitment proceedings, (d) an outstanding warrant for an offense making a person ineligible under RCW 9.41.040 to possess a ((pistol)) firearm, or (e) an arrest for an offense making a person ineligible under RCW 9.41.040 to possess a ((pistol)) firearm, if the records of disposition have not yet been reported or entered sufficiently to determine eligibility to purchase a ((pistol)) firearm, the local jurisdiction or the state may hold the sale and delivery of the pistol or semiautomatic assault rifle up to thirty days in order to confirm existing records in this state or elsewhere. After thirty days, the hold will be lifted unless an extension of the thirty days is approved by a local district court, superior court, or municipal court for good cause shown. A dealer shall be notified of each hold placed on the sale by local law enforcement or the state and of any application to the court for additional hold period to confirm records or confirm the identity of the applicant.
- $((\frac{5}{}))$ $\underline{(6)(a)}$ At the time of applying for the purchase of a pistol or semiautomatic assault rifle, the purchaser shall sign in triplicate and deliver to the dealer an application containing:
- (i) His or her full name, residential address, date and place of birth, race, and gender;
 - (ii) The date and hour of the application;

- (iii) The applicant's driver's license number or state identification card number;
- (iv) A description of the pistol or semiautomatic assault rifle including the make, model, caliber and manufacturer's number if available at the time of applying for the purchase of a pistol or semiautomatic assault rifle. If the manufacturer's number is not available at the time of applying for the purchase of a pistol or semiautomatic assault rifle, the application may be processed, but delivery of the pistol or semiautomatic assault rifle to the purchaser may not occur unless the manufacturer's number is recorded on the application by the dealer and transmitted to the chief of police of the municipality or the sheriff of the county in which the purchaser resides, or the state pursuant to subsection (3)(b) of this section; ((and))
- $\underline{(v)}$ A statement that the purchaser is eligible to $\underline{purchase}$ and $\underline{possess}$ a $((\underline{pistol}))$ $\underline{firearm}$ under $((\underline{RCW} \ 9.41.040))$ \underline{state} and $\underline{federal}$ law; and
- (vi) If purchasing a semiautomatic assault rifle, a statement by the applicant under penalty of perjury that the applicant has completed a recognized firearm safety training program within the last five years, as required by subsection (2) of this section.
- $\underline{\text{(b)}} \ \ \text{The application shall contain ((a))} \ \underline{\text{two}} \ \ \text{warnings}$ substantially $\underline{\text{stated}}$ as follows:
- (i) CAUTION: Although state and local laws do not differ, federal law and state law on the possession of firearms differ. If you are prohibited by federal law from possessing a firearm, you may be prosecuted in federal court. State permission to purchase a firearm is not a defense to a federal prosecution; and
- (ii) CAUTION: The presence of a firearm in the home has been associated with an increased risk of death to self and others, including an increased risk of suicide, death during domestic violence incidents, and unintentional deaths to children and others.

The purchaser shall be given a copy of the department of fish and wildlife pamphlet on the legal limits of the use of firearms((τ)) and firearms safety((τ) and the fact that local laws and ordinances on firearms are preempted by state law and must be consistent with state law)).

- (c) The dealer shall, by the end of the business day, sign and attach his or her address and deliver a copy of the application and such other documentation as required under subsections (1) and (2) of this section to the chief of police of the municipality or the sheriff of the county of which the purchaser is a resident, or the state pursuant to subsection (3)(b) of this section. The triplicate shall be retained by the dealer for six years. The dealer shall deliver the pistol or semiautomatic assault rifle to the purchaser following the period of time specified in this chapter unless the dealer is notified of an investigative hold under subsection ((4))(5) of this section in writing by the chief of police of the municipality ((or)), the sheriff of the county, or the state, whichever is applicable, ((denying)) or of the denial of the purchaser's application to purchase and the grounds thereof. The application shall not be denied unless the purchaser is not eligible to purchase or possess ((a pistol)) the firearm under ((RCW 9.41.040)) state or ((9.41.045, or)) federal law.

- (b) One copy shall within six hours be sent by certified mail to the chief of police of the municipality or the sheriff of the county of which the purchaser is a resident, or the state pursuant to RCW 9.41.090; the duplicate the dealer shall within seven days send to the director of licensing; the triplicate the dealer shall retain for six years.

- (10) Subsections (2) through (9) of this section shall not apply to sales at wholesale.
- (11) The dealer's licenses authorized to be issued by this section are general licenses covering all sales by the licensee within the effective period of the licenses. If the seller or transferor removes the firearm from the business premises of the licensed dealer while the background check is being conducted, the purchaser or transferee and the seller or transferor shall return to the business premises of the licensed dealer and the seller or transferor shall again deliver the firearm to the licensed dealer prior to completing the sale or transfer.

- (b) Except as provided in (a) of this subsection, the licensed dealer shall comply with all requirements of federal and state law that would apply if the licensed dealer were selling or transferring the firearm from its inventory to the purchaser or transferee, including but not limited to conducting a background check on the prospective purchaser or transferee in accordance with federal and state law requirements ((and)), fulfilling all federal and state recordkeeping requirements, and complying with the specific requirements and restrictions on semiautomatic assault rifles in this act.
- (c) The purchaser or transferee must complete, sign, and submit all federal, state, and local forms necessary to process the required background check to the licensed dealer conducting the background check.
- (d) If the results of the background check indicate that the purchaser or transferee is ineligible to possess a firearm, then the licensed dealer shall return the firearm to the seller or transferor.
- (e) The licensed dealer may charge a fee that reflects the fair market value of the administrative costs and efforts incurred by the licensed dealer for facilitating the sale or transfer of the firearm.
 - (4) This section does not apply to:
