Election to authorize increase in regular property tax levy—Limited propositions—Procedure.

(1) Subject to any otherwise applicable statutory dollar rate limitations, regular property taxes may be levied by or for a taxing district in an amount exceeding the limitations provided for in this chapter if such levy is authorized by a proposition approved by a majority of the voters of the taxing district voting on the proposition at a general election held within the district or at a special election within the taxing district called by the district for the purpose of submitting such proposition to the voters. Any election held pursuant to this section shall be held not more than twelve months prior to the date on which the proposed levy is to be made, except as provided in subsection (2) of this section. The ballot of the proposition shall state the dollar rate proposed and shall clearly state the conditions, if any, which are applicable under subsection (4) of this section.

(2)(a) Subject to statutory dollar limitations, a proposition placed before the voters under this section may authorize annual increases in levies for multiple consecutive years, up to six consecutive years, during which period each year's authorized maximum legal levy shall be used as the base upon which an increased levy limit for the succeeding year is computed, but the ballot proposition must state the dollar rate proposed only for the first year of the consecutive years and must state the limit factor, or a specified index to be used for determining a limit factor, such as the consumer price index, which need not be the same for all years, by which the regular tax levy for the district may be increased in each of the subsequent consecutive years. Elections for this purpose must be held at a primary or general election. The title of each ballot measure must state the limited purposes for which the proposed annual increases during the specified period of up to six consecutive years shall be used.

(b)(i) Except as otherwise provided in this subsection (2)(b), funds raised by a levy under this subsection may not supplant existing funds used for the limited purpose specified in the ballot title. For purposes of this subsection, existing funds means the actual operating expenditures for the calendar year in which the ballot measure is approved by voters. Actual operating expenditures excludes lost federal funds, lost or expired state grants or loans, extraordinary events not likely to reoccur, changes in contract provisions beyond the control of the taxing district receiving the services, and major nonrecurring capital expenditures.

(ii) The supplanting limitations in (b)(i) of this subsection do not apply to levies approved by the voters in calendar years 2009, 2010, and 2011, in any county with a population of one million five hundred thousand or more. This subsection (2)(b)(ii) only applies to levies approved by the voters after July 26, 2009.

(iii) The supplanting limitations in (b)(i) of this subsection do not apply to levies approved by the voters in calendar year 2009 and thereafter in any county with a population less than one million five hundred thousand. This subsection (2)(b)(iii) only applies to levies approved by the voters after July 26, 2009.

(3) After a levy authorized pursuant to this section is made, the dollar amount of such levy may not be used for the purpose of computing the limitations for subsequent levies provided for in this chapter, unless the ballot proposition expressly states that the levy made under this section will be used for this purpose.
