Subject: BOCC Hearing re New Courthouse October 22 at 5:30pm

Dear TCBA Members:

I am the Chair of the Yes for Safety and Justice committee, which is the PAC advocating for the new Thurston County Courthouse. The Thurston County Board of County Commissioners (BOCC) voted earlier this year to put the issue of whether to build a new courthouse to the voters in April 2020. Due to a possible procedural irregularity, the BOCC is set to vote on this matter again. **The BOCC is holding a hearing on this issue on October 22, 2019, at 5:30, in Room 152 of Building 1 at the main courthouse campus, 2000 Lakeridge Drive SW, Olympia.**

If you agree that our county badly needs a new courthouse, we encourage you to attend the hearing, and/or e-mail the BOCC in advance of the hearing. Here is a link to e-mail the BOCC (<https://www.thurstoncountywa.gov/email/pages/default.aspx?List-ID=45>). The BOCC pays attention when its constituents contact them regarding an issue. We need to make sure the BOCC hears from more courthouse proponents than opponents.

Meanwhile, Yes for Safety and Justice needs your financial support so we can get the word out to the community about this important issue. Please make a contribution through our website: <http://www.yesforsafetyandjustice.org/>.

Thank you for your support TCBA.

Sincerely,
Trevor
