Stephanie -- We emailed you last week.

We emailed you yesterday.

And now, we're emailing you again.

We hate to keep emailing -- but it's just SO important.

We told you the ONLY way we can save the Postal Service is to raise \$55,000 this month!

But our records show you haven't contributed -- is this right??

Trump is running the U.S.P.S. into the ground so he can RUIN Vote-By-Mail and WIN a second term.

So Bernie Sanders just sounded the alarm:

“WITHOUT RELIEF OR INTERVENTION, THE UNITED STATES POSTAL SERVICE WILL NOT BE ABLE TO SUSTAIN ITSELF.”

To save the Postal Service, we need to expand our Progressive Majority. Every cent we raise will go to electing Progressives who will SAVE the Post Office.

Medicare for All is driven by one simple mission statement: **healthcare is a fundamental human right.**

Every American should have access to high quality health care regardless of their income. Every year, American families see their premiums rise while their quality of care declines. Patients are dying because they are putting off medical visits they can't afford. People are splitting prescription pills so they can make their outrageously high-priced, life-saving drugs last a little longer. *We've had enough.*

Medicare for All isn't just the best path forward -- *it's the only path.* Greedy insurance companies, drug manufacturers, and special interest groups have been standing in the way of real progress for too long - we're here to fight back. **Click the button below to support our work:**
