Subject: Re: Special Meeting Called

Alana,

I knew you were out of town this week and I did tell you that this meeting would not happen until you returned. However, in order to protect the whole district from a scandal, the meeting needed to be called earlier. Our attorney will also be in attendance, so I will set up a Zoom meeting to invite both of you to join. See you Tuesday morning and sorry for the disruption of your vacation.

Thank you for the email. I am out of town, but I would like to participate via phone or zoom. Please let me know which is better for you.

Thank you!

Best,

I've just featured the Special Meeting that has been called for Tuesday, August 3rd at 9:30 A.M. so you should have received an email letting you know. But just in case I'm attaching the agenda to this email as well.
